NOTICE TO COMPETITORS – RE-DRAFT 2019

WHYALLA GOLF CLUB

MEN AND WOMEN

To be read in conjunction with the Rules of Golf; Whyalla Golf Club (WGC) constitution, policies and by-laws; and relevant published short and long-term notices.

All players adhere to these rules – that promote a high level of fair play and player etiquette.

This Notice to Competitors has three sections:

1. Rules of Play;
2. Local rules and WGC competition rules and conditions of play; and
3. General social rules and Code of Conduct.

Note: These rules apply at the WGC. Different rules may apply at other clubs.

1. RULES OF PLAY

- a. The R & A (and USGA) Rules govern all play – including rules of the game and golf conduct. Copies of the R & A “Players Editions of the Rules of Golf” handbook are provided to all members – a new copy is provided each four years when the book is updated. The “Rules of Golf” is a more detailed book (several copies are kept at the club) are also available on the Internet. A copy of the R & A book, “Official Guide to the Rules of Golf” is kept in the WGC shop.
All three books are available from the internet, and through the club website.

2. WGC LOCAL and COMPETITION RULES

(To be read in conjunction with 1. RULES OF PLAY)

Note 1.: Sometimes local rules change: they are published in the handbook; others are displayed on the clubhouse boards.

Note 2.: The latest version of the WGC “Notice to Competitors” can be found on the WGC web page “whyallagolf.org.au”.

IN BRIEF – LOCAL RULES

1) Distance Measuring Devices

Electronic and other distance measuring devices may be used. However, other characteristics (for example, slope, elevation, break, humidity, wind speed etc) measured by the device may not be used (Full Rules 4.3a(1)). Penalty for first offence of viewing characteristics, other than distance, is the general penalty (2 strokes) in stroke play, and loss of hole in match play.

2) Cart Use

Carts, gophers and scooters – electronic and motorised – may be used by any golfer in most events, except when banned in extreme weather conditions (e.g. too wet).

Men’s Competitions: However, for club championship and other major events determined by the Match Committee, use of such carts is only permitted with a doctor’s certificate. This applies to men.

Events where cart (mobile ride on machines) use requires a medical certificate are:

Club Championships (all grades) and the Whyalla Open.

(Special note: Most SA and Eyre Peninsula events require a doctor's certificate to use a ride on cart)

Women's Competitions: Women may use carts in all Whyalla Women's Competitions, including Northern Area Association Days and Northern Area District Event days.

(Special note: Most SA and Eyre Peninsula events require a doctor's certificate to use a ride on cart)

(Note: For combined men's/women's competitions – for example, most Saturday, Sunday and Long/Weekend events - men's rules apply)

3) Preferred Lies

Preferred lies apply only to the fairway in play and may be taken within one club grip length (refer appendix 1. and appendix 9 below)

4) Staked Trees

Full relief must be taken from all staked trees.

5) Bare Patches on the Fairways

Relief may be taken from bare patches on the fairway in play. (Note: preferred lie may be taken after the ball has been dropped from knee height.)

6) Distance Markers

Yardage markers, yellow 100 metres and blue 150 metres (on par 5's – white 200 metres), are measured from the centre of the fairway, along the path of the centre of the fairway, to the centre of the green. Executive Course orange markers indicate the distance from the centre of the fairway, along the fairway, to the centre of the green.

7) Bull Ants Nests

Live bull ant nests are abnormal course conditions – GUR rules (Rule 16.1b) apply.

8) Annual Competitions

Annual Competitions and how they work are outlined in the most recent WGC "Handbook" – further information is available from the men's and women's Club Captains.

9) Nearest to the Pin

Nearest the pin is defined as "nearest to the pin 'on' the green in play". This applies to men and women.

10) Stones in Bunkers

Stones lying in bunkers are loose impediments, and can be removed from bunkers before playing a bunker shot (Rule 12.2a).

*Not required here anymore as now a general rule of golf

11) DISCONTINUANCE OF PLAY - SIGNAL

For example, threat of lightening.

The signal for call-off of competition during play is an “air horn”.

Note: Players must cease play immediately and leave the course (i.e. return to the club house) until the “all clear” is given. (The ‘air horn’ is located by the sign in the club shop)

12) Unmarked Green Keeper works

Seams of cut turf, and unmarked diggings, for example, around sprinkler heads and valves, are GUR.

Piles of green mowing clippings around the course are not GUR unless marked.

13) Pennants

The Match Committee may arrange Pennant Competitions with other clubs and areas.

Members are encouraged to join in, and to wear the club polo-shirt or/and club red jumper.

14) Juniors in Competition

Juniors, who are members, are encouraged to participate in WGC weekly competitions once they have obtained a Golf Australia (GA) handicap of 35 or less for males, and 44 or less for females. Generally, only one junior will play in a group until experienced.

Social events, for example twilight golf, do not have handicap exclusion for juniors who are paid up members of the club.

15) Men’s Handicap Grades (after WGC slope applied for 18 holes to GA handicap) are listed annually in the Whyalla Golf Club Handbook, and may vary annually based on member numbers and their handicaps.

Note: Other Districts events and other Golf Clubs may have different handicap grades.

16) Women’s Handicap Grades (after WGC slope applied for 18 holes to GA handicap) are listed annually, and may vary based on member numbers and their handicaps, in the Whyalla Golf Club Handbook.

21) Mobile Phones

During competitions, mobile phones should be turned off, or placed on silent, when on the golf course, and should only be used in an emergency ... some players' employments require exceptions to this rule.

22) District and Other Events Held at WGC

This Notice to Competitors does not over-ride district championship rules and other event rules, for example, Pro-Am preferred stone lies, played at the course.

23) Out of Bounds

Out of bounds is defined by the inside line of the white pegs, and includes the pegged areas on the right of the 6th, 9th, 10th and 11th fairways.

- a. **Clubs:** Deliberate use of illegal (non-conforming) clubs, including drivers and driver heads, and golf balls, is not permitted in any competition. A list of approved and non-approved drivers can be found on the US PGA website (see 24(b) below for more details).
- b. **Golf Balls:** The Club encourages the use of approved golf balls and clubs but all balls and clubs bought in good faith are accepted. Known, non-complying golf balls and clubs must not be used. Wedges purchased when complying with previous rules may still be used for club events.

25) Embedded ball:

Anywhere, in the "general area" (includes rough and mown areas) (does not include bunkers and penalty areas), refer rule 16.3a and definition of embedded ball), a ball that is embedded in its own pitch mark in the ground, may be lifted without penalty, cleaned and dropped as near as possible to the spot where it lay, but not nearer the hole.

Note: A preferred lie may then be taken, only, if the ball is dropped and then stops on the fairway in play.

*Not required here anymore as now a general rule of golf ...but won't hurt.

26) Unbecoming conduct – Refer to Code of Conduct, Appendix 3.

27) Ties for events:

a. Competition Match Play

When required, ties will be broken by sudden death playoff, starting at hole number #1, and continuing until a decision is reached.

b. Other Events – Stroke Play

For most events ties are decided by count back.

For some special events, ties are decided by play off; normally the 18th hole, repeated if necessary.

Events where play-offs of this nature may be required are: Whyalla Open – all grades.

(Note: play-offs for women only events are over three holes: hole 1, hole 17 and hole 18)

28) Disputes:

Disputes should be presented to the day's Match Committee representatives before handing in the card or results.

In match play, where possible, disputes should be resolved before proceeding to the next hole. If the rep or reps are unable to resolve the situation, the dispute should be submitted to the Match Committee.
