

Dear South Australian Golf Clubs and Facilities,

Easing of restrictions across South Australia– July 27

On Tuesday, July 27, the South Australian Government announced changes to restrictions in SA from midnight tonight.

Golf Australia is writing to provide further assistance and guidance to our clubs and facilities across the State following this announcement. Once the directives are released if further information needs to be provided to clubs/facilities we will do so via this channel.

All golf facilities can reopen for business on Wednesday, July 28.

Golf Operations

- Social golf can resume being played in groups of four;
- At this time competitions may not be conducted;
- Pro shops can operate as per normal, observing a density quotient of 1 person per 4 square metres;
- Individual and group outdoor coaching can recommence;
- Indoor coaching can recommence, observing a density quotient of 1 person per 4 square metres.

Golf Australia understands the importance of club competition golf and that in practice there is minimal difference between social & competition golf. We are making representation to the government on the matter and will advise clubs through this channel if we receive alternate advice to what was announced today.

Hospitality Operations

Food and beverage service can resume under the following conditions:

- All consumption must take place while seated;
- Capacities are limited to 1 person per 4 square metres.

Other Requirements

- Masks must be worn in all indoor public settings, other than when eating or drinking.

At the discretion of each individual club or facility, the COVID-19 temporary local rules continue to be available for use at the current time to assist in managing shared equipment or high-touch surfaces. Details of the local rules are available at www.golf.org.au/club-guidance-managing-play-in-the-covid-19-environment.

Once posted, the South Australian Government updated directives can be found at <https://www.covid-19.sa.gov.au/restrictions-and-responsibilities/activities-and-gatherings>
